CHRISTMAS PARTY at VINH SON

On Sunday December 23, 2006 the *Friends of the Central Highlands, Inc* gave a Christmas Party at the orphanage that was successful beyond our wildest dreams.

The party was supported by generous contributions, but most of all it was an amazing feat planned and executed by our staff in Viet Nam.

The following is my editorial comments on the good folks in our Office of Viet Nam Operations, Viet Nam office.

There is a spirit at Christmas that knows no boundary, either of the heart, the soul or of the person.

The Christmas Party at Vinh Son was sponsored by FoCH, Inc. on a wing and a prayer, but it came about. Prayers do work.

However, the praises are not for us here in the states, but are for the three beautiful women in Viet Nam, both in Sai Gon and Pleiku. Without the love and devotion that these three ladies demonstrated there would be no party. The money, in the end, was the easy part. But the work that was done by these three ladies reaches a measure of love and caring demonstrated by few.

This is the public acknowledgement of FoCH, Inc. for these three ladies and our profession of a deep and abiding admiration for their work. These hard working ladies

make FoCH tick....with a heart, not just a checkbook.

In my life I have never been a part of something so honestly and deeply satisfying and as such I know there has to be a choir of angels singing the praises for these ladies: Nguyen Yau Can, Director, and Hoang Song Lien and Lau Nguyen Cam, Assistant Directors. God bless them all. JLH

We hope to have a video ready for mailing within a month or a little more. Right now the big hold up is the slow mail between the two countries. We will keep you informed as the project progresses.
